NASA North Dakota Space Grant Consortium (NDSGC)
Graduate Service Assistantship (GSA)  
Applications due: 11/4/2019

NDSGC Overview:
The NDSGC ([https://ndspacegrant.und.edu/](https://ndspacegrant.und.edu/)) is a NASA program designed to promote and support STEM (science, technology, engineering, and mathematics) research and education across ND. The NDSGC supports ND college students with NASA internships, research fellowships, scholarships, and other NASA/STEM initiatives. The STEM Ambassador program employs college students across the state to conduct hands-on STEM projects with K-12 teachers and students. This GSA position will assist the NDSGC with facilitating these activities.

Eligibility:
- U.S. Citizen
- Graduate student enrolled at University of North Dakota
- 3.5 Minimum GPA

Position Details:
- ½ time appointment
- Spring semester 2020 appointment

Position Expectations:
- Manage NDSGC social media content (Instagram, Facebook, Twitter, Snapchat)
- Participate in bi-weekly meetings
- Produce content (flyers, K-12 lesson plans, graphics)
- Assist NDSGC team with STEM Ambassador Program
- Promote diversity and inclusion in NDSGC programs
- Demonstrate excellent Communication, Teamwork, and Organization Skills
- Be passionate about STEM education
- Other duties as assigned

Application Details:
- Letter of Recommendation
- Resume
- Unofficial Transcript
- Essay Responses

Essay Questions:
1. Describe a time you worked well as part of a team. How would you contribute positively to the NDSGC team? (≤ 300 words)
2. Please explain in your own words the importance of promoting STEM education across North Dakota. (≤ 300 words)
3. Describe a time when your organizational skills helped you to succeed. (≤ 300 words)
