**Who would like to
work for
NASA one day?**

NASA is not
just for
astronauts!

All sorts of scientists!

Physicist

Heliophysicist

The background of the slide is a composite of various space-related images arranged in a fan shape, radiating from a central point at the bottom. The images include: a bright orange and red solar surface (photosphere/chromosphere), a blue and white solar corona, a purple and white aurora, a green and white aurora, a yellow and white aurora, a blue and white aurora, a green and white aurora, and a bright orange and red solar surface. The images are arranged in a fan shape, radiating from a central point at the bottom.
